

• **FIND YOUR PREFERRED SIZE:**

Necklaces can vary **by diameter** so we recommend you to check your wished size depending on the length you want it to be, always keeping in mind **how you want it to look on you**.

***Please note:** The chart presented is a base guide, sizes **may vary or look different depending on the body of the person who will wear it**, because of this, the guide is not 100% accurate. If you need **any additional** help we recommend **visiting our website and setting up a virtual appointment** for advice and information.
